# Win with Towercraft

- ✓ Unlike traditional cleaning methods, it does not sweep away dirt and dust under the moldings. Therefore, facades cleaned with Towercraft do not spew out dirt, corrode, or oxidate. It extends the building's economic life.
- ✓ Effectively mitigates the risk of work-related accidents.
- ✓ Works faster than traditional methods, offering unmatched efficiency
- ✓ Works on all kinds of surfaces
- ✓ Operates 24/7. Resists harsh weather conditions and wind up to 40 km/hour, allowing you to plan a year-long cleaning schedule
- ✓ Able to crawl obstacles up to 8 cm and move vertically and horizontally
- ✓ Provides a deep and spotless cleaning thanks to its nanotechnological solution and smart spraying system.
